

A message from our Club President

2/05/2024

Information Session

Members are advised that an Information Session has been arranged for Sunday 26 May 2024 at 10.30 am in the Function Room to provide information to all Members, Bowling and Social, on our recently adopted 5 year Strategic Plan, our 2024/25 Budget and future directions for the Club. All Members are encouraged to attend. The information session is designed to provide all members, the Board's vision for the Club moving forward.

Kids on the Greens

Our Kids on the Greens program is proving to be very encouraging with many families participating on a Sunday afternoon. Last Saturday we expanded the program to now include Saturday afternoons from 5.00pm. Our Club caters for a broad range of ages from children to those members of a more advanced age.

We must ensure that all parties are respected in using our facilities. While we are happy for children to go barefoot on the green or wear joggers, we need to provide a safe environment ensuring all patrons including children wear footwear and also don't run while inside Club buildings, the last thing we need is anyone being injured while enjoying our facilities. One of our patrons recently commented that there is "no better sound than kids having fun" and I'm sure you will agree this is better than tears. The cooperation of all patrons would be appreciated.

Mothers Day

You may have noticed on Facebook that we have started taking bookings for Mothers Day. The Club will be open for Breakfast, 2 Lunch sessions and Dinner and give members and their families the opportunity to spoil their Mum's on this special day. More details are available on our Facebook pages.

ANZAC Day

Our Anzac Day ceremony and events afterwards were again a great success with many positive comments received from both members and visitors. These events don't occur though without a lot a support from staff and volunteers.

Thank you to those who did the setup, the Lady bowlers who served our complimentary beef stew and provided rosemary sprigs, Directors who assisted staff on the day and our wonderful Bar, Bistro and Courtesy bus staff.

Special thanks must go the Donald "Doney" Maher our erstwhile MC on the day.

Rob Gray, President of Valentine Bowling Club
