August 2024

Club Presentation Night

Our Club Presentation Night will be held this Saturday, 10th August 2024. This night provides an opportunity to recognise bowlers who have competed in Club and District competitions and in some cases represented the District in bowls. It should be a wonderful evening where many war stories about games will be told. Congratulations to all the winners and runners up and a special congratulations to Chair Craig Godbee and the Bowls Committee for all their work both during the year and in arranging this prestigious event.

Annual General Meeting

Club's Annual General Meeting will be held in the Waterview Function Room at 9.30am on Sunday, 25th August 2024. This is an important meeting where members will hear from our Auditors on the Clubs financial performance in the last financial year as well as receiving advice from the Clubs office bearers on overall performance. It is also the announcement of the incoming Board for the ensuing 2 years. All members are welcome.

Fathers Day

Father's Day is fast approaching and the Club will once again host lunch and dinner on this special day on Sunday, 1st September 2024. Bistro bookings on this day are usually at a premium so get in early and book a table for the family to celebrate this important day recognising the role fathers play in the lives of families.
