It’s hard to believe we are at the start of March already, with another year starting to fly by.

Bistro menu

Chef Ross’ new menu continues to receive fantastic reviews, and we couldn’t be happier with the response so far.

That said, we understand that we won’t always get it right - and that’s okay. We are always striving to improve and truly value all feedback, both positive and constructive.

If something isn’t quite right with your meal, please let our Front of House team know straight away. They will do everything possible to rectify the issue and ensure you leave satisfied.

Your feedback helps us grow, improve, and continue delivering the best experience possible. Thank you for your continued support.

Live Music is back at VBC

Our live music nights have been a huge success — and we're not just saying that! Members have called them "The best night at the Club... EVER."

Who are we to argue with that?

If you haven't joined us yet, now's your chance. We've got more fantastic evenings lined up:

Bobby C - Saturday 7th March - 6:00pm - 10:00pm

Reggie Sinclair - Friday 27th March - 7:30pm - 10:00pm

And don't forget — there's plenty more live music coming in the weeks ahead, so keep an eye out for updates!

Mega Seafood Raffle - Over $3,000 in Prizes!

With Easter fast approaching, the Mega Seafood Raffle is back on Thursday, 2nd April — and this year it's bigger than ever!

We have over $3,000 worth of prizes up for grabs, packed with incredible seafood just in time for Easter celebrations.

Traditionally, this event is standing room only, so be sure to book your table early to avoid missing out.

We'll also be running a colouring-in competition for all ages, and rumour has it...

The Easter Bunny might even make a special guest appearance!

It's set to be a huge night - great prizes, great atmosphere, and plenty of Easter fun.

We appreciate the Community support, and look forward to seeing you again soon.
